RE: Request for Exhibition Space

Dear Ms Willcox,

We are writing to you to request your consideration on the hiring of the exhibition space at the Bethania Community Centre. We are an active group in the local community with members attending talks and presentations monthly.

We have recently been in receipt of a grant from the Maes Gwyn fund to purchase storage for our artefacts, photographs, and documents along with a new laptop to facilitate the engagement of a new audience. We are currently seeking a space to hold a pilot exhibition of our works and would like to request the hire of the space downstairs at the Bethania.

We understand that the space is not currently used and has not been used for some time. For a short pilot period of five months, we would like to ask if it would be possible to stage an exhibition where it would be fantastic to see the archive back home at Glynneath. We would be willing to contribute a small sum of £100.00 for this period and would be happy to work within the current opening hours of the community centre so that visitors were encouraged at times that would not put an extra burden on staff.

We would be happy to work with the Town Council on this project and would encourage you to reach out to us with any questions.

Thank you for your consideration and time with this matter and we look forwards to hearing from you.

Yours sincerely,

p.p. 

Mrs. E Belcham
